### ***It's NOT too late to enroll your horse in the year end awards program which runs from November 1, 2017 through October 31, 2018***

You can enroll during the show season. Points towards yearend awards will only count after enrollment is paid. Points can be earned at PHBA approved shows (palomino and palomino bred) and up to six non-sanctioned shows held in NM (such as Quarter Horse Shows, Hunter/Jumper Events, 4-H Shows, All-Breed Shows, the NM State Fair and more). You must show to at least three judges to qualify. Only points from shows held in NM count towards yearend awards and a horse must be shown in at least one PHBA approved class offered in NM. Membership in NMPEA and PHBA required but horses, exhibitors and owners need not be NM residents. Check your PHBA membership card to make sure your NM affiliate membership is current (NMPEA affiliate memberships are available if you live outside NM or you are a life member of PHBA). Complete rules can be found on the website and a summary is listed on the enrollment form. NMPEA also awards a participation award at our year end banquet. Each entry in a PHBA approved class offered in NM enters NMPEA members in a drawing for the participation award plus an entry is earned by members for volunteering at an NMPEA sponsored show.
