Points towards year end awards can be earned based upon the placing and number of horses in a show or competition. To compete in amateur and youth and/or novice divisions for the Palomino and Palomino Bred High Point Awards, the exhibitor must hold an amateur or youth card and/or novice amateur or novice youth card with PHBA. Amateur and youth points will be kept on a one horse and one exhibitor team.

A copy of your PHBA membership card will need to be sent to the point keeper when received.
  - b. Or, if a PHBA affiliate member in another state, by paying a \$10.00 NMPEA affiliate membership fee or \$5.00 NMPEA youth affiliate membership fee (enrollment fee and affiliate membership form must accompany enrollment form). An affiliate membership is good for one show season ending on October 31<sup>st</sup>.
  - c. NMPEA membership is open to members from any state.

## ENROLLMENT REQUIREMENTS

1. An enrollment form must be completed and sent to the NMPEA point keeper for each year of participation (based on show season November 1 – October 31). If competing for Palomino or Palomino Bred Year End Awards, a copy of the horse's PHBA registration papers (or copy of registration application) must accompany enrollment form.
2. An annual enrollment \$20.00 fee (non-refundable) must be paid per horse. Please ask for clarification if you have questions.
  - a. Open (junior and senior horse): Points accumulate on the horse, can have different exhibitors. The horse owners and exhibitors **MUST** be current members of NMPEA for points to count.
  - b. Amateur and/or Youth Divisions: Points accumulate on a one horse and one exhibitor team. The horse owners and exhibitors **MUST** be current members of NMPEA for points to count.

*IMPORTANT! All above requirements must be met before points will count toward current year end awards. Enrollment form and fees must be postmarked and membership paid before points to count for awards program. Enrollment forms, fees and memberships can also be submitted and paid at NMPEA sponsored shows prior to showing before any points count for year end awards.*

3. Only points from shows held within the state of New Mexico will count towards the NMPEA awards program.
4. To be eligible for year end awards ONE of the following requirements must also be met:
  - a. Members must work accumulate 100 volunteer points over the show season. Points can be earned by working at a show in a variety of duties; assisting with show preparation; actively serving on committees such as awards, banquet, and show committees; or by getting someone (can be friend or family) to work for them. Volunteer points cannot be earned by someone in a paid position at the show. Volunteers will be responsible for submitting points to the volunteer coordinator/recorder to be verified and tracked. Points are not transferable except among immediate family. See volunteer points and rules for more information. Members who earn volunteer points during the show season but fail to meet the 100 volunteer point requirement will be able to pay for additional points at the rate of \$1 per point to meet the 100 points needed.

 Note: Points earned in classes other than PHBA approved classes at a show that offers PHBA classes count as one of the six non-PHBA sanctioned shows that can be used for year end award tabulation but these classes do not count as an additional competition when meeting the three competition requirement to be eligible for year end awards.  
 Points earned in judged “training,” “warm-up,” and/or “green” classes (including walk/trot) can be used for year end award tabulation. A horse’s, or horse and exhibitor team’s, six BEST non-PHBA sanctioned shows or non-NMPEA sponsored shows will be used when tabulating year end awards. Example: a member might submit a show report card for a non-PHBA show where only 5 state points are earned and later show at a show where he (she) earned 8 points. If six non-PHBA sanctioned shows have already been submitted for year end awards, the lower point earning show can be replaced with the higher point earning show provided all other requirements have been fulfilled and only six non-PHBA sanctioned shows are used towards year end awards.
  9. Tie Breakers to be used for all year end awards:
